

Type of Cleaning	Cleaning Tasks	Reason for Cleaning	Date Cleaned
General Maintenance Cleaning	Roof & Shingles (non-invasive soft wash only)	<input type="checkbox"/> Prevents algae and moss from degrading shingles and shortens the life of the roof.	
	House siding (soft wash recommended)	<input type="checkbox"/> Removes built-up dirt, mold, and algae that can damage paint and siding over time.	
	Gutters and downspouts (inside and out)	<input type="checkbox"/> Clears blockages to prevent water damage, ice dams, and foundation issues.	
	Windows and frames	<input type="checkbox"/> Improves natural light and curb appeal while extending the life of seals and caulk.	
	Driveway and walkways (pressure wash and seal if needed)	<input type="checkbox"/> Removes stains and slippery buildup, and sealing protects from cracks and erosion.	
	Decks, patios, fences (soft wash for wood)	<input type="checkbox"/> Cleans gently without damaging wood grain, helping to prevent rot and extend finish life.	
	Pavers (clean, sand, and seal)	<input type="checkbox"/> Keeps weeds and moss out while protecting joints from shifting or cracking.	
	Garage doors and exterior light fixtures	<input type="checkbox"/> Removes grime and spider webs that collect around high-touch and high-traffic areas.	
	Outdoor furniture, umbrellas, and grills	<input type="checkbox"/> Refreshes items for safe and comfortable use during the warmer months.	
	Trash bins and storage sheds	<input type="checkbox"/> Reduces odors and keeps pests and bacteria at bay.	
	<input type="checkbox"/>		
Spring Cleaning Tips	Best time to clean siding, patios, and driveways	<input type="checkbox"/> Cleans after winter grime and before mold sets in.	
Summer Cleaning Tips	Ideal conditions for concrete and wood staining or sealing	<input type="checkbox"/> Because of longer dry times and warmer temps.	
Fall Cleaning Tips	Essential for gutter cleaning and surface sealing	<input type="checkbox"/> Before leaves, rain, and cold weather hit.	
Winter Cleaning Tips	Gutter maintenance and inspect drainage.	<input type="checkbox"/> Key to preventing freeze damage and avoid ice problems.
